

A POWERFUL SOLUTION

A VIRTUAL SYSTEM

VERGE1

Make the *right* call 303.327.5730

CAN YOU AFFORD to allow your next telephony equipment purchase to lock in monthly overhead, unscheduled maintenance and repairs, costly upgrades as well as determine and limit your telecommunications path for the next 7 to 10 years?

Or, would you like a telephony world with no telephone system purchase; no "phone room"; no obligations; and no limitations?

If you are ready for this new world of telecommunications, then it's time to...

MAKE THE *RIGHT* CALL! — THROW OUT YOUR PHONE SYSTEM!

YOU ARE RESPONSIBLE FOR YOUR BUSINESS SUCCESS. Your business needs to be lean, flexible and have a definite competitive advantage. You've learned that today's successful and profitable business cannot be trapped by excessive overhead and constrained by hardware limitations.

AT VERGE1, WE LEAD THE WAY IN PROVIDING YOU WITH A NEW CONCEPT IN TELECOMMUNICATIONS. No longer does your future need to be constrained by today's budget concerns. Our flexible "On Demand" infrastructure allows you to grow and adapt to your changing business needs — all with no expensive phone system to purchase!

CALL VERGE1. Verge1 is a leading provider of VoIP phone systems to small and mid-sized business in the mountain west. Chosen as a partner by companies like Level(3) and Cisco, Verge1 has passed rigorous selection criteria to be able to offer you the latest in high quality, business grade telecommunications solutions. No other company can offer you more than Verge1:

- *Verge1 hosts your telecommunications system on a carrier-grade network, not the Internet. As a result, quality and communications speed are unsurpassed. Your applications are browser-based, making it easy for either Verge1 or you to administer, manage, and update features (such as speed dial keys, phone templates, and moves, adds, and changes) as if it was your own system — back in the old phone room.*
- *If you are moving, upgrading or changing your phone system, you owe it to your business to call Verge1. A simple, 10 minute phone call can help determine whether Verge1 can introduce you to the new world of telecommunications with no capital investment, unlimited flexibility and low, predicable costs.*
